

Staff and Faculty Application

KTUC prides itself on inclusion, diversity and being a place for second chances. We strive to present individuals with opportunities others may not offer them. We believe everyone deserves the opportunity to excel in their work, studies and life. We do not discriminate based on a long list of criteria, including race, color, political affiliation, nationality, citizenship, sex, gender, gender identity and more. We are an equal opportunity employer and welcome all views so long as they welcome all other views.
